IS THIS INVESTMENT RIGHT FOR ME?

This investment may be right for you if you:

- want to protect your capital;
- are looking for a comprehensive and diversified investment;
- have an investment horizon of 3 years or more;
- don't plan to withdraw your investment prior to maturity;
- agree to forgo portion of the guaranteed return provided by conventional term savings to enjoy a higher potential return.

HOW DOES THIS SOLUTION DIFFER FROM CONVENTIONAL TERM SAVINGS?

With the exception of the guaranteed return, this guaranteed investment differs from conventional term savings in that it does not provide a pre-determined return.

Return on the investment is based on the appreciation of the benchmark portfolio and can only be known at maturity.

HOW ARE RETURNS CALCULATED?

Up to the issue date, your investment generates interest at 0.85% per year. Between the issue date and the maturity date, the return depends on the performance of the components in the portfolio. The maximum cumulative return is indicated in the Overview section of this document.

Calculation of guaranteed return

The annual compound return that applies to the fixed-yield component corresponds to the highest of the following interest rates:

- the prevailing caisse interest rate on March 18, 2025 for a 3-year conventional term savings,
- the prevailing caisse interest rate on June 12, 2025 for a 3-year conventional term savings,
- an interest rate higher than the above-mentioned applicable rates established by Desjardins,

with an interest rate bonus as shown on the right.

Fixed-yield component bonus

\$500 to \$24,999	0.05%
\$25,000 and more	0.50%

Calculation of variable return

The annual compound return of the variable-yield components is tied to the securities, which are subject to fluctuations in value. The calculation also takes into account the weighting of each one as illustrated in section Investment composition.

To reduce the effect of a potential market pullback, we factor in the average of the monthly price readings during the last three months of the term.

The return on each variable-yield component is capped.

This investment is not eligible for dividends paid on the benchmark securities.

Return on the investment is not affected by changes in exchange rates even if prices are published in foreign currencies.

For full details on how return is calculated, please see the Investment Agreement.

Variable return is based on changes in the prices of the benchmark securities and could be nil at maturity. However, this investment pays a guaranteed return and your capital is guaranteed at maturity.

HOW CAN I KEEP TRACK OF MY INVESTMENT'S PERFORMANCE?

Log in to AccèsD and go to the **Savings and investments** section to access the Dynamic Market-Linked Guaranteed Investment Return Tracker, or visit desjardins.com/returntracker. Return details are provided for information purposes only. Your investment return is also indicated on your Desjardins monthly account statement, for information purposes. Return on the investment can only be known at maturity.

WHAT HAPPENS WHEN MY INVESTMENT MATURES?

Shortly before maturity, you will receive a reminder by mail or via AccèsD. At maturity, unless you give other instructions to your advisor or in AccèsD (if your investment is eligible for online renewal), your investment will be automatically reinvested in a similar product with comparable terms and conditions.

CAN I REDEEM MY INVESTMENT BEFORE THE MATURITY DATE?

The Investment Agreement does not provide the option of converting or redeeming this investment before maturity.

Some exceptions may apply - please refer to the Investment Agreement for more information.

WHAT HAPPENS DURING MARKET UPHEAVALS?

The caisse reserves the exclusive right to determine the appropriate measures to be taken in such circumstances. For example, if trading is suspended, the caisse could choose to postpone the date at which the starting index value of the investment is taken into account.

WHAT IF I CHANGE MY MIND?

You have up to five business days after receiving your Investment Agreement, by mail or via AccèsD, to ask your advisor to cancel your investment.
